- Study Items:

o Principal's report- Testing has completed testing on all that can test. Thank you to the staff for all of the support. Updates from success for boys soccer lost in over time to the state champion. They were ahead until 30 seconds left and a goal was scored. It was a great season. Board has moved to chrombooks. They will be possibly using the savings to have a turf field. They are presenting in May for every high school except Sabino and Tucson to have a new field. We also continue to have issues with the bleachers to be condemned. Boys basketball had a great finish. State testing is wrapping up. Award seasons are starting. Our students will be recognized in the coming weeks. Prom is scheduled for Saturday Night. We are still looking for chaperones. Graduation will be held at 7 on May 22. We are trying to sell seats on the football field to raise money to purchase chairs so they can be

reused. Our next year numbers are about 775. We are growing and we are getting more funding. The increase was the largest in the district.

o Student Council report- Prom is this weekend.

- Study/Action Items:

o Comments on TUSD proposed board policies: It is budget season. The board will be considering new ways to meet shortfalls. § Public Comments

- Study/Action Item: Family Engagement Committee

o Family Engagement Survey 22nd Street Baptist Church came and cleaned up wetlands. They have adopted our bible club and would like to be more involved. They are very excited. A team of parents were asked how we can better serve them. They would like more communication. A concern is the robocalling regarding attendance and they are missing information due to that issue. Math matters had a new video with positive feedback.

o Parent Recruitment
