### **Call to Audience**

- Mr Marshall has moved ahead with the tile project. He has taped off the spot and will remove the tile from the marked area.

### **Principal's report**

- Student numbers are down to 699.
- Approval for next year's alternate schedule is being worked on. Additional math support classes and shifting focus to a health/science based CTE program are ideas to bring in more students.
- Changes to the Varsity locker room are in the works.
- We are a "Magnet School of Distinction."
- The elective fair was today to show some elective classes for next year.
- Our partnership with Project Momentum will be over at the end of this semester.

### **Student Council Report**

- Activities during spirit week were slightly different last week than in the past, there appeared to be more engagement among students with the change-of-pace.

### **Family Engagement Committee**

- *Stand Up For Kids* has provided funding for students to receive essential documents.
- *Team Tucson* wants to "adopt" our school as a partner. They have already "adopted" the Bible Club.
