### **Approval of minutes 1/21**

- Moved by Nicole Huffman, Seconded by Donna Walker. No Objections, minutes approved.

### **Call to Audience**

- None

### **Principal's report**

- The ACT was last week. We got donations from Donors Choose for the ACT. We are hoping to get 95% participation and are rapidly approaching that goal.
- 4-day school week update. The board meeting discussing the proposal was last night. We had a good turn out of students, parents, and staff. Staff, students, and parents broadly support the proposal. In two weeks they will talk with the board about it again.
- Prom is soon. There will be a valet, catered food, and a DJ. It will be a big event.
- May 4th is Athletic Awards night. There will be a meal, and each athlete gets to bring a guest. There will be 5 awards per team.

### **Family Engagement Committee**

- There was a focus group of parents and community members. The focus group is seeking further communication regarding the 4-day school week. Parents were generally excited about the proposal.
- The prom is being planned. Decorations are being bought and staff are actively making sure that it will be fun and engaging.
- The last *Math Matters* video is being released soon. It is being taped on Friday. It will provide resources for the community describing things to do during the Summertime for math support and Summer School.
