**• Study/Action Items: Library Mosaic- presented by Mac Marshall**

- Mac Marshall, the librarian, is asking for at least one, maybe three or four mosaics to beautify the library. The projected size is between 9 and 12 square feet on a patch of floor in the library where the tile is removed and replaced with a mosaic.
- Mr. Marshall pictures a classical theme that reflects learning, Palo Verde, and books/scrolls.
- He thinks for ceramic tile or rounded glass for the material.
- There is no expected degradation due to the material being used, from foot traffic or from cleaning.
- The process should take a "maximum of three weeks" to complete.

Dorian Chase motions to approve the mosaic. Seconded by Donna Walker
