**Family Engagement Survey**

We need your input!

We are always looking to find new and better ways to help our families to be involved in their children’s education. Below is a link to a survey about your experiences with Palo Verde Magnet High School. If you have not already done so, please take a few moments to complete this survey. If you have children at more than one school, please complete the survey for each of your children’s schools. We will use this information to help us plan for future family engagement opportunities. The survey is available until January 4th, 2021. Your responses will remain confidential.

Thank you for your help!

ATTENTION ATHLETES

Athletes,

Phase one for winter sports has begun! Girls’ and boys’ basketball, soccer, wrestling, and cheer began on November 9th. Phase one is very restrictive and we have strict protocols to ensure as safe an environment as possible. If you have not participated in or signed up for a winter sport, you will have to fill out all forms in ATS (6) and answer a Covid-19 screening questionnaire daily, have a valid physical on an AIA form and complete the AIA Brainbook education course (only if you've never done this course). Please note: all previous passwords are reset too: new. You will not be allowed to condition or practice on campus with your coaches until all these are complete and your physical is turned in and you are placed on the roster.

Please reach out to your head coach or wait for them to provide you conditioning and practice times and locations. If you have questions, please email jason.karn@tusd1.org.

Thank you,
Mr. Karn
Athletic Coordinator
