PV HAS ANOTHER NATIONAL BOARD CERTIFIED TEACHER

Tucson Unified celebrated 15 teachers who either renewed their National Board Certification or are newly board certified! TUSD has 65 National Board-Certified teachers and 50 more that are in the process of becoming National Board Certified. Becoming board certified isn't an easy task, after spending months working towards their advanced teaching certification their entries are scored against a set of national standards. Congratulations to our very own, Mrs. Call! We are so lucky to have you as our amazing Theatre Teacher. Palo Verde now has 5 NBC Teachers on our campus.

Calling all Titan athletes. Track preseason starts Monday, January 30, 2023. Practice will start at 3:45 out on the track. If you've done another sport already this year, you are good to come out and get started. If this will be your first sport this year at Palo Verde, you will need to get a physical and finish some courses online. I know a lot of people are doing another sport right now, so plan on joining us after your season finishes. The great thing about track is that no matter what other sports you're into, there's a perfect event for you. If you have any questions, go see Coach Riley in the counseling hallway.

Students, are you interested in playing spring sports? Spring sports will begin February 6th for baseball, softball, boys' volleyball, tennis, and track. To participate you will need to register and fill out five forms on ATS online, complete the online AIA Brainbook and Opioid class if this is the first time you're playing a high school sport, and have a valid physical, no older than March 1, 2022. Directions are available on our main website under the athletics tab and hard copies are in located in the Activities Office.
