PV TECH 4 SUCCESS
This initiative is well underway with almost 500 Titans utilizing their laptops! Students are practicing organization, as well as computer skill development which will help them prepare for college and career. If you have any questions about PV’s Tech 4 Success, don’t hesitate to contact us at: pvtech4success@tusd1.org.

SOME IMPORTANT DATES:

Nov. 7th and 8th

Senior cap/gown yearbook pictures

Nov. 21st
FAFSA Night 4:00 – 7:00 p.m.

Nov. 28th and 29th
Thanksgiving Holiday
No school

TITAN MARCHING BAND STRUTS THEIR STUFF AT EASTERN ARIZONA’S COLLEGE BAND DAY!

Sixteen marching bands took the field for competition on a warm fall day in Thatcher. Congratulations to Drum Major, David Sweeney, Mrs. Eastman, and the Palo Verde Titan Marching Band! The band earned a rating of “Superior” (1 of only 4) and also won caption awards for “Outstanding Marching” and “Outstanding Drum Major” (David Sweeney). Way to be 212°!
Titan Players, our advanced drama troupe, are busy with preparations for their Fall production of “I Hate Shakespeare” coming up November 7th and 8th at 7:00 p.m. The cost of a ticket is only $5.00! We hope you’ll be able to join us! Synopsis: We hate Shakespeare! At least that’s what the audience thinks until they get a rip-roaring rundown of Shakespeare’s classics. With zombies, talking cows, and an appearance by Jerry Springer, I Hate Shakespeare! is a hilarious and fast-paced introduction to Shakespeare -- with a modern twist. Plus, someone gets a pie in the face.

The Titan Band and Jubileers have been out and about in the community this fall. Both groups performed at the VA Hospital for their annual SAVAHCS Resource Fair and Town Hall. We are hoping to return to perform for our veterans again this year. Additionally, the band performed at a TUSD school board meeting and the Jubileers sung the National Anthem at our home volleyball games.
STUDENTS HIT ALL THE RIGHT NOTES DURING OUR FALL CONCERT

A huge shout out is in order for Mrs. Peterson and Mrs. Eastman! The Palo Verde High Magnet School Choir, Jazz Band, and Orchestra did an amazing job performing various pieces during their Fall Concert.

WAY TO BE 212°, TITANS!

CONGRATULATIONS TO ALL THE TITANS WHO WERE RECOGNIZED AS STUDENT OF THE QUARTER! HERE ARE JUST A FEW...

These awards go beyond academic letter grades and GPA and focus on skills such as improvement, being a hard worker, citizenship, good behavior, helpfulness and many more.
Some of our Titans had the opportunity to travel to the summit of Mt. Lemmon to participate in the University of Arizona's Sky School Program. These students got to participate in an immersive, inquiry-based science program which included field experiences, ecology, earth sciences, dendrochronology, hydrology, and astronomy. This program integrated topics across the scientific disciplines, while simultaneously building language arts and mathematics skills.

It included outdoor field instruction in small groups with UA graduate student scientists serving as instructors and mentors. Students were in charge of designing and carrying out their own scientific inquiry projects, while learning astronomy with the use of UA telescopes, and having opportunities to maintain post-trip relationships with UA scientists. The program also included inclusive teambuilding exercises and games to promote scientific skills, group cohesiveness and effective collaboration. Near the end of the trip they participated in a research symposium where they presented the data they collected during their journey. This group of students was amazing and far surpassed our expectations!
Palo Verde Titan Parents
We Need Your Help!

Please consider joining School Council and/or our Family Engagement Team.

We meet once a month, but we make a big difference. Please contact your Community Liaison for further information.
