Carrier _____

1. Hanging permit is to be hung on the rear-view mirror or placed inside the front window of your vehicle where it can be always seen by campus security.
2. I will practice and use safe driving techniques while parking on campus.
3. If I use another or change vehicles, I will place my permit in that vehicle and update new vehicle information in the business office.
4. I will return the parking permit to the business office at the end of the school year.

I have read, understand, and agree to follow the school rules and policies above:
